

Offers for Internationals

Shape Your Professional Future - with the Career Coaching for Internationals

About the Coaching

The **Career Coaching for Internationals** is an individual coaching to help you enter the Munich job market.

Your situation:

- You are about to enter the job market
- The necessary formal requirements have already been met (e.g. residence and work permits, recognition of certificates - if needed)
- You need tips and assistance in the application process
- You would like to have more clarity about your goals
- You want to become more aware of your strengths and weaknesses and expand your scope for action

Important: The participation in the Career Coaching is a **special offer** via recommendation of the amiga team.

What we expect:

- Open-mindedness, & self-awareness
- Preparation & commitment
- Motivation
- Collaborative spirit

We will focus on:

- Exploring your career options
- Refining your resume and cover letter
- Preparing for job interviews
- Providing personalized coaching to enhance your skills
- Competency-based coaching
- Up to two monthly consultations for max. 6 months
